Recent Purchase of Frisco Stock Said Have Been Made For Him.

been sent out from New York: "J. P. Morgan has extended his

Francisco railway system, which ported in a prospero controls the Chicago & Eastern Illinois. Announcement was made the other day that B. F. Yoakum, president of the Frisco System, had purchased extensive holdings in the St. Louis & San Francisco stock, but it now developes that three trustees have been selected; Mr. Yoakum, Jas. Campbell, of St. Louis, and B. P. Chaney, of good news to tell you: Your crop paid Boston, who will control the Frisco under a very carefully drawn agreement, which provides that no one of the trustees shall part with holdings without the consent of the other two, or deposit it as security for a loan. Mr. Morgan is back of Mr. Yoakum, and it is understood that the recent purchass of Frisco stock was made in his behalf.

"The fact that Mr. Morgan will have a voice in the future affairs of the St. Louis & San Francisco Liniment to be the best liniment on is taken as indicating that the real control will lay in his hands. It is recognized that this means a turther extension of the system and close relations between it and other lines of the South and West now controlled by Morgan. It puts an end to the possibility of the St. Louis & San Franciso entering into traffic alliance with the Seaboard Air line, and leaves the latter road Missouri, Kansas and Texas rollway, in a somewhat unfortunate posi- years ago, was leased and operated by tion, practically shutting off any outside connection and confining it to local traffic in its own terri-

DISPOSITION

of the World, and one of the most widely known women in the United States. Thousands of women gather to hear her lecture everywhere she goes. The great work she has done for the Maccabees is appreciated by every member of the order. She was so absorbed in her work that she neglected to take warning that the symptoms of appreaching kidney trouble gave her, the sallow complexion and torpid liver. But Wine of Cardni cured her the same as it has cured thousands of others and Mrs. McDonald has written this letter in order that other suffering women may Tribes and the Dissolution of the Tribal Government Will Soon be Accomplished. The progress of the work and ome of the difficulties encountered in administering an estate of more

J. George Wright, United States Indian inspector for the Indian Territory, to the Secretary of the Interior which has just been made

The work for the past year has been more satisfactory, according to the report, than at any time previous, and the way is now ap-Manufacturers Dr. Caldwell's Syrup parently paved for the final disposition of the Indian lands and the dissolution of their tribal relations.

Inspector Wright shows that the total population of the Indian Territory is 392,000, of which 84. 000 are members of the five civilized tribes. These own 19,776,286 ommend it to others. Respectfully acres of lands, which is now in process of allotment. Mr. Wright explains in detail the plan adopted by the Secretary of the Interior to prevent coal companies from seindigestion and constipation. Not an curing possession of all of the coal lands of the territory, Mr. Hitchand \$1 bottles by People's drug cock has insisted that no company should be granted a lea for more property than it was able to actually operate, and then only upon of The Delineator is also the thirtieth | conditions that were profitable to anniversary number. To do justice the Indians. The adoption and enforcement of this policy has resulted in largely increasing the number of lessees and increasing

The Indian inspector has also prevented, where his authority exended, the establishment of unwarranted townsites in the territory, This was for the purpose of checking the schemes of a syndicate of town-site boomers who were locating towns on about every alternate section in the territory, purely for speculative purposes.

The report shows that the tribal revenues have constantly increased since the enforcement of Mr. MORGAN AFTER FRISCO. Hitchcock's policy of compeling cattlemen and others leasing lands from the Indians to pay a just rental for them. The Creek tribal revenues for the year ending June The following telegram has just 30, 1902, were \$17,193 and the revenues of the Cherokees but \$100 influence to the St. Louis & San schools of the territory are all re less than that amount. The

factory condition. Mr. Wright concludes his report as follows: "In view of the recent supple mental agreements with the several tribes, which have had the careful consideration of the department before being submitted to and ratified by the last session of Congress, no recommendations for additional legislation are made at this time, the work to be performed being to carry out the provisions of these agreements. I do, however, respectfully invite attention to the urgent need for some provision being made requiring deeds, mortgages, etc., to be recorded.

"A bill introduced at the last session of Congress providing for the protection and preservation of game in the Indian Territory failed to become a law. Such a law is much needed and desired, by all, and 1 therefore respectfully recommend that the matter be again submitted for the consideration of Congress."

Origin of the Katy Flyer. Mr. W. G. Crush, general passenger

and ticket agent of the M. K. & T. railroad furnishes the following interesting information in regard to the origin of the Katy Flyer: The the Missouri Pacific, and that part of the line that today is the Missouri, Kansas and Texas was known to them as the K. and T. division, meaning the Kansas and Texas division. As is well known, trainmen, switchmen and other railway employes abbreviate everything and in handling By McCurtain For Meeting of Chiefs cars in the yards instead of saying: Put the K. and T. car No. 80,964 on sidetrack," they said, "Put the K. T. car," etc. "K. T." was not so easily said as "Katy," consequently the men as the "Katy," we adopted it as In taking up Pleasant Porter's a trademark. The word 'Katy" being could be advertised, and it being a flyer-a very fast train-it was called The meeting called by McCur- the "Katy Flyer," and this name has
